

Department of Microbiology, The Chinese University of Hong Kong

CERTIFICATE COURSE IN ///// MEDICAL MICROBIOLOGY 2025

COURSE INTRODUCTION

Since 1998, we have offered this annual course for scholars from Mainland China. The course combines theory and practice, covering the latest developments in microbiology, virology, infection control, and modern diagnostic technologies.

The 2025 program features both online and face-to-face modules with rich content and interactive formats, including laboratory practical, thematic workshops, group projects, and academic exchange activities.

COURSE OBJECTIVES

- Enhance understanding of medical microbiology and virology principles and techniques.
- Provide practical training in molecular diagnostics, genomic technologies, and lab management.
- Highlight the application of infection control and quality assurance in healthcare institutions.
- Foster research skills and teamwork through collaborative projects.

TARGET AUDIENCE

- Laboratory staff, researchers, and clinicians working in microbiology, virology, or related fields in Mainland China, Macau, and other parts of Asia.
- Professionals interested in infection control, quality management, and new technologies.

COURSE DETAIL:

Online Sessions (10 hrs) 19 May - 15 June 2025 Face-to-Face Sessions 16 - 21 June 2025 Course Fee (HKD)

\$5500

Application Fee (HKD)

\$200

The payment method will be notified to the successful applicants shortly.

Prince of Wales Hospital, Sha Tin

The course will be conducted in English, with occasional use of Cantonese or Mandarin during discussions.

香港中文大学微生物学系

医学微生物学证书课程 2025

课程简介

自1998年以来,我们每年为来自中国大陆的学者开设此课程。该课程结合理论与实践,涵盖微生 物学、病毒学、感染控制以及现代诊断技术的最新发展。

2025年的课程内容丰富,形式多样,包括线上教学与线下面授模式教授课程。教学形式包括实验 室实践、专题工作坊、小组项目以及学术交流活动,注重互动性与实用性,加深学員對医学微生物 学的認知。

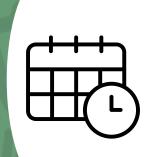

课程目标

- 加深对医学微生物学和病毒学原理与技术的理解
- 提供分子诊断、基因组技术和实验室管理的实用培训
- 强调感染控制和质量保证在医疗机构中的应用
- 通过协作项目培养研究技能和团队合作能力

课程对象

- 来自中国大陆、澳门及东南亚地区,从事微生物学、病毒学或相关领域工作的实验室工作人 员、研究人员和临床医生
- 对感染控制、质量管理及新技术感兴趣的专业人士

课程详情:

线上课程部分(10小时): 2025年5月19日至6月15日

面授课程部分:

2025年6月16日至6月21日

课程费用(港币)

\$5500

报名费用(港币)

\$200

付款方式将在申请成功后另行通知。

沙田威尔斯亲王医院

课程主要以英语授课,讨论期间可能使用粤语或普通话。
